As the Mumbai administration got overwhelmed under heavy downpour on Tuesday, the spirit of Mumbai came alive with common people and celebrities alike using social media to offer help to citizens got stuck in the heavy rains.

Within hours of the downpour, people from different parts of the city started offering help to those stuck in rain via Twitter and Facebook using

#RainHosts as the trend

Waded through knee-high water for an hour to get home from work, which usually takes me 10 minutes everyday. Panch Marg in Versova is entirely blocked. A responsible citizen has abandoned her car in the middle of the road.

If you're around Yari Road and stranded my house is open. Please feel free to reach out.
